I have just launched my new English-Spanish Website and I hope you will take some time to look through it. The site is located at: <http://Menendez.house.gov>.

In my last update, I talked about how the budget passed by the Republican-controlled Congress did not reflect the values of the people in New Jersey or across America. Since then, we've seen further evidence of just how wide the gap is between what Americans want their government to do and what the Congress is actually doing.

Thank you.

Robert Menendez  
Member of Congress
